RE: **HBE to create two Committees to assist with developing Hopi School System policies. Nominations are due by August 1, 2022, 5:00 p.m. MST.**

On June 15, 2022, the Hopi Board of Education (HBE) passed Action Item #09-22 to establish two HBE Committees required by the Hopi Education Code, section 4.9.D. These Committees will assist in developing the policies and procedures for the unified Hopi School System:

- 1) Policies and Procedures Committee: To research and lead effort to draft Hopi School System policies and procedures.
- 2) Evaluations Committee: To assist with the creation of evaluation criteria, procedures, and due process protocols for Hopi School System employees.

The HBE is seeking volunteers for these Committees. You may submit self-nominations or you may nominate someone else. The total Committee membership will be between four and six members. People who are eligible for these Committees include, but are not limited to: HBE members, principals, educators, parents, field specialists and professionals, business managers, Tribal employees, and community members.

To submit a self-nomination, please state the Committee(s) you would like to join and include a short statement explaining why you would like to join. If you are not already a member of the HBE or the Transition Team, please also provide your current resume. If you wish to nominate someone else, provide their name and contact information.

Beginning today, the HBE is opening a 30-day nomination period seeking anyone who would like to serve on one or both of these Committees. If you would like to submit a nomination, including self-nominations, email your nomination to Dr. Noreen Sakiestewa at NSakiestewa@hopi.nsn.us by **August 1, 2022, 5:00 p.m. MST.**

If you have any questions, please contact Dr. Noreen Sakiestewa at NSakiestewa@hopi.nsn.us, or 928-734-3501. Thank you. Kwakwa.
